Dopo due lunghi anni di isolamento, a causa del Covid-19, finalmente ci stiamo riprendendo il nostro tempo e rioccupando gli spazi relazionali, sentimentali ed emozionali cui eravamo abituati. E il concorso, indetto dal nostro Liceo Artistico Juvara, 2023 “L’anno che vorrei...” va in questa direzione. Un modo per riaffermare la voglia di vivere e di sentire i sospiri più nascosti e i desideri della nostra anima colorata e vulcanica.

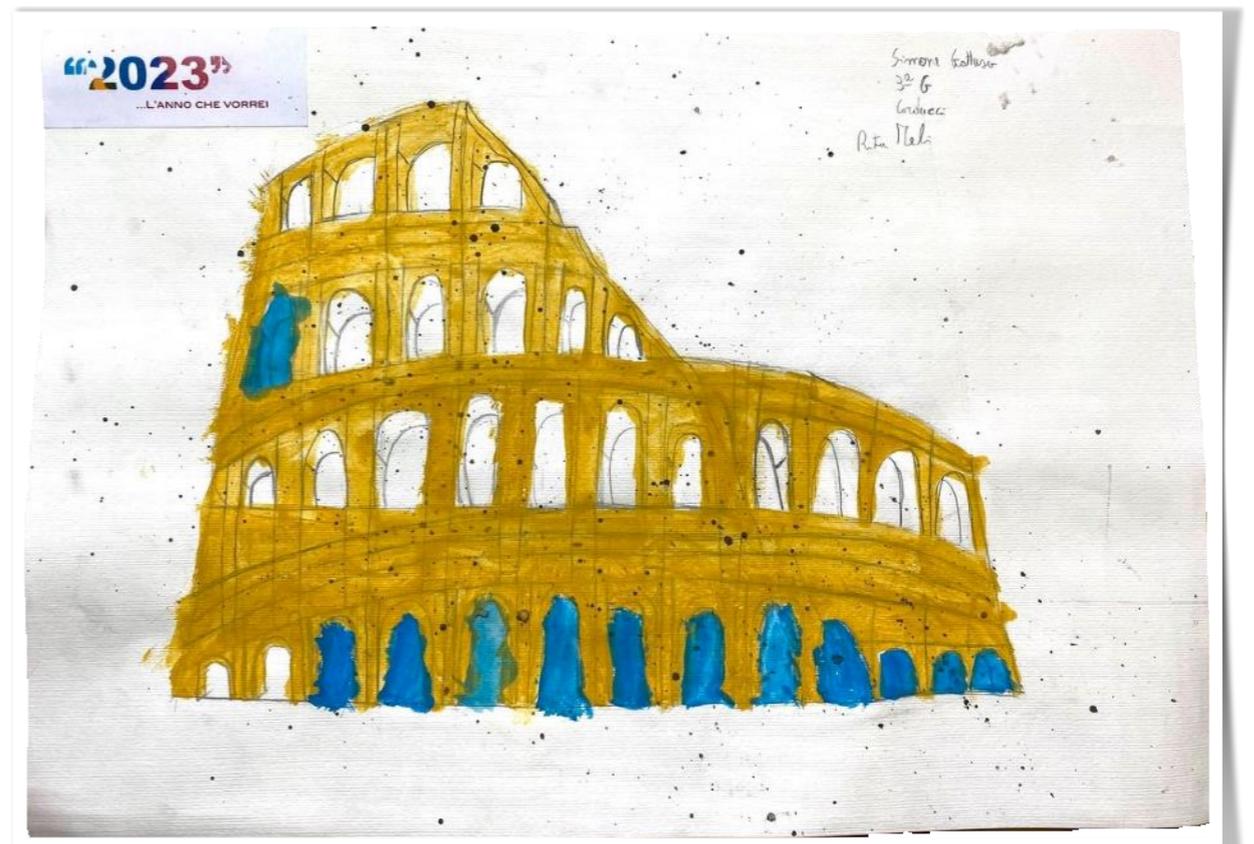

Grazie alla partecipazione degli studenti ed insegnanti delle scuole medie della Balsamo e della Carducci di San Cataldo, della Verga, della Rosso di San Secondo e della Cordova di Caltanissetta, è stato possibile reimmergersi nel mondo della bellezza. Una partecipazione intensamente emotiva in cui frotte di studenti si sono confrontati con la pittura, l’architettura, la moda e la modellazione.

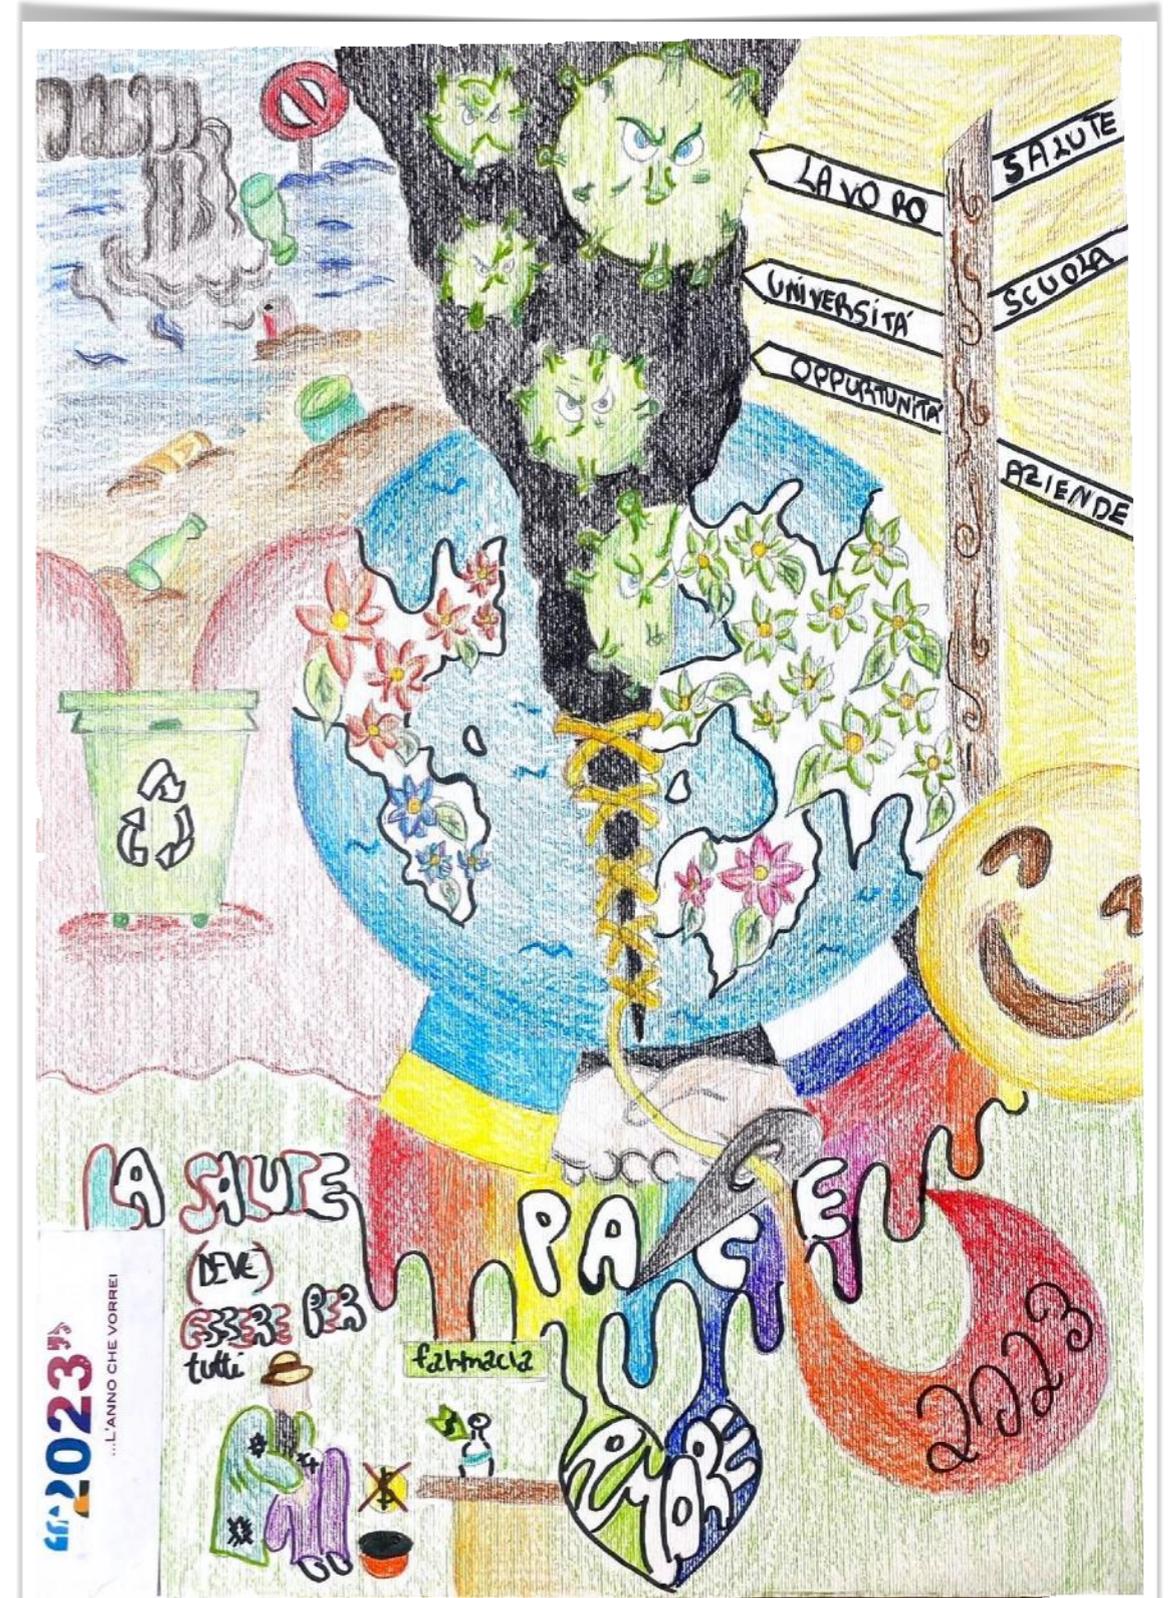

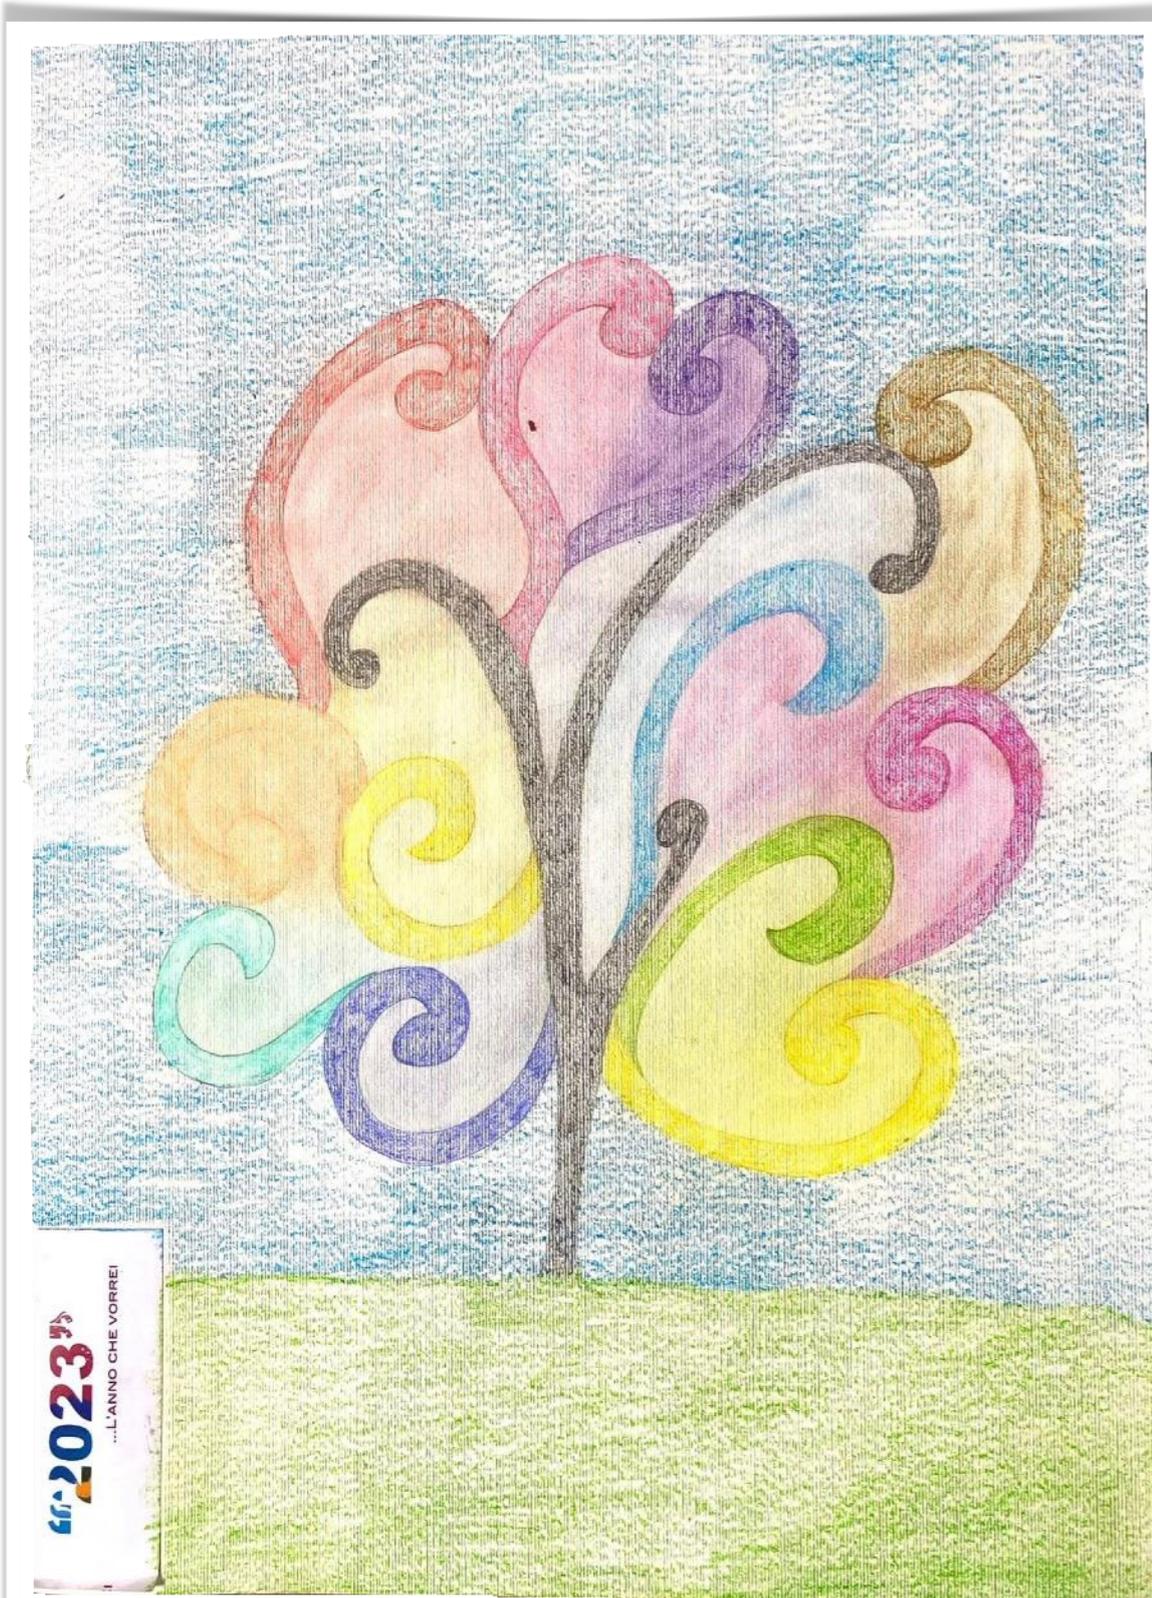

“È bello vivere, cari ragazzi, perché vivere è cominciare, sempre ad ogni istante”
